Cartoons by *Sheila*

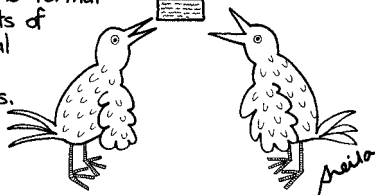

B&W GREETING CARDS \$3.00 EACH

Pet Hates #72 - Pretentious Art

It says the artist wanted to express the inherent tension between black and white - to move beyond the formal constraints of traditional linear constructs.

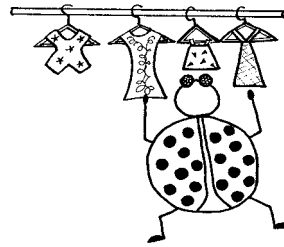

It just looks like birdshit to me!

Pet Hates #37 - Anorexic Fashions

SIZES ~~xxs~~-xs

It's ridiculous - you'd have to be a stick insect to fit into any of these!

Sheila

Pet Hates #90 - Political Correctness

Wifey, missus, my little buttercup... Whatsit matter?

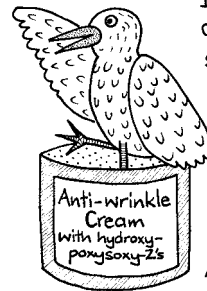

Get with it Brian - the correct term is "significant udder."

Sheila

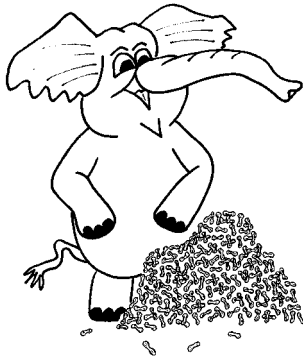

Pet Hates #54 - Beauty Product Promises

It's just like all the other creams - it says it reduces crows feet but mine are just as big as before.

Sheila

Pet Hates #30 - Peanuts Envy

I wish I had nuts like those!

Sheila

Pet Hates #35 - Teenage Bedrooms

Call this a pigsty do you? It's a disgrace! I want it messing up before your father gets home.

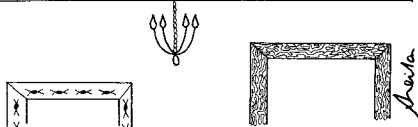

Sheila

Pet Hates #86 - Unwanted Housemates

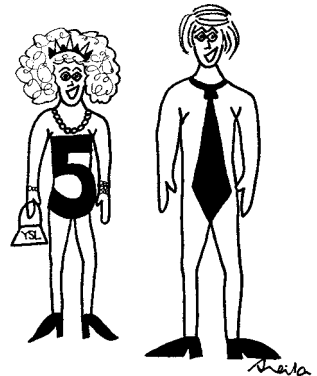

Those bloody humans are back in the basement again - I can hear them scratching around.

Bloody pests! I'll call Pete - the Person man in the morning.

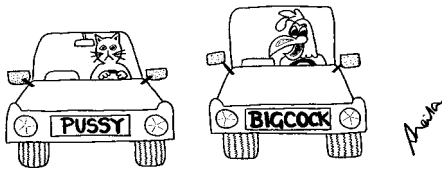

Sheila

The invitation was formal: black tie for the men, little black numbers for the women.
